

# **SWEDE HOLLOW PARK NEEDS YOU**

**Annual Swede Hollow Park Clean UP**

**Saturday, April 24, 2021**

**9:00- 11:30 am**

**Meet at the Drewry Tunnel  
(near 622 Beaumont Street, just east of Payne)  
or at Upper Swede Hollow Park  
on Greenbrier Street at Margaret Street.**

Do you enjoy walking or jogging through beautiful Swede Hollow Park? Or were you one of those lucky East Siders who played there as a kid, running through the tunnels, wading in the creek, and pretending you were in the Big Woods, far away from the city?

You can help us out.

Join the Friends of Swede Hollow and neighbors on Saturday, April 24, to help spruce up the park. Bring your work gloves and the city will provide the trash bags.

We also have brochures about the amazing 150-year history of Swede Hollow and the Friends of Swede Hollow.

Participants are encouraged to sign up via the  
City of Saint Paul website
