Dear HOPE Parents and Staff,

Yesterday, Governor Walz announced the lifting of face masks for those who are fully vaccinated. However, the CDC has not yet provided clear guidance for school settings. Therefore, we will continue to follow the Minnesota Safe Learning Plan mandate and guidance for face covering.

Face coverings must continue to be worn by everyone, even those who are fully vaccinated, in the school building and on the school bus/van through the remainder of the school year.

Thank you all for your support and understanding.
