I understand that I am responsible for any damage to the Chromebook. The School may request the Chromebook be returned at any time. Upon request by the School or termination of the Agreement, I must return the Chromebook to the School, in the same condition as on the Agreement beginning date, reasonable wear and tear excepted. Some common sense actions you must take to protect the Laptop, software and confidential data that may be on the Chromebook include, but are not limited to the following:

- This device will be used for school work only
- I will not sell, lease or otherwise grant anyone rights to this device
- I will adhere to the school's rules and regulations governing the use of this device and will comply with copyright
- Do not leave unattended in a car, an unlocked home, or in a public place such as Starbucks
- Keep information password--protected, log off when you are away from your computer
- Protect from liquids or dampness
- Protect from extreme temperatures (i.e. do not leave in trunk of car for long periods of time)

I agree to the terms of this agreement. I understand that in the event of theft, misuse or carelessness, there is no provision for replacement. I understand that if loss or damage occurs while the Chromebook is anywhere outside/inside of the school building, I am responsible for any damage, and in case of theft, for filing an official police report and informing my school immediately.

Parent and or Guardians

Before the technology is assigned to a student, the parents or guardians must assume financial responsibility for the equipment by signing this agreement.

Device Insurance

HOPE Community Academy has negotiated an optional insurance contract for this device in the amount of \$26.95 per device/per year. This is full coverage and covers all loss, theft and damage to the device. Without the insurance all issues on the computer caused by the student or family will be charged at the full replacement amount of \$250.
