

School Meals Policy

Policy (Purpose)

Hope Community Academy participates in the Minnesota Free School Meals program as outlined in [Minnesota Statutes 2024, section 124D.111, subdivision 1](#). In addition, this policy is to ensure that school district employees, families and students have an understanding of the expectations regarding unpaid meal charges.

Meal Service

Hope Community Academy participates in the Minnesota Free School Meals Program, and therefore all enrolled students will be offered one breakfast and one lunch at no charge while at school regardless of an outstanding meal balance. Once a meal has been placed on a student's tray or served, it will not be taken away by the cashier or any school official, regardless of the student's meal account status. All reimbursable meals offered meet state and federal guidelines. We will not provide an alternate meal unless related to a dietary need.

Point of Service

For Hope Community Academy to receive State and Federal reimbursement for meals served, each student must be identified at the point of service.

Hope Community Academy employs two Point of Sale staff who use manual clickers to count for each student taking a meal from the cafeteria line

All students will be treated respectfully and in accordance with [Minnesota Statute 2024, section 124D.111, subdivision 5](#).

Payment for A La Carte and Extra Entrees will not be allowed at the Point of Service

To meet the non-program food revenue requirement, the nutrition program must charge and accrue revenue for items outside of the reimbursable breakfast and lunch it chooses to sell.

Nonprogram Food Sales are any food or beverage sold outside of the reimbursable meal.

Hope Community Academy will allow students to purchase second meals in addition to the reimbursable meal(s).

This program will be pre-paid and managed by our POS system to separate from our reimbursable meals

Unpaid Meal Charges

The Minnesota Free Meals Program does not address debt incurred before the program's implementation.

Hope Community Academy does not charge students meals before the programs implantation nor plan to change this policy should the program end

Second meals will be offered but will be on a set prepaid system only

School Nutrition Funds cannot be used to repay previous years' debts per 2 CFR Part 200.426.

Current year unpaid meal charges

The Minnesota Free School Meals Program pertains only to reimbursable meals.

Hope Community Academy does not charge students meals before the programs implantation nor plan to change this policy should the program end. Second meals will be offered on a prepaid system basis.
